JURISDICTION

4. This Amended Accusation is brought before the Director of the Department of Consumer Affairs (Director) for the Bureau of Automotive Repair, under the authority of the following laws.

5. Section 118, subdivision (b), of the Code provides that the suspension/expiration/surrender/cancellation of a license shall not deprive the Board/Registrar/Director of jurisdiction to proceed with a disciplinary action during the period within which the license may be renewed, restored, reissued or reinstated.

6. Section 477 of the Code provides, in relevant part, that Board includes bureau, commission, committee, department, division, examining committee, program, and agency. License includes certificate, registration or other means to engage in a business or profession regulated by the Code.

7. Section 44002 of the Health and Safety Code provides, in relevant part, that the Director has all the powers and authority granted under the Automotive Repair Act for enforcing the Motor Vehicle Inspection Program.

8. Section 44072.6 of the Health and Safety Code provides, in relevant part, that the expiration or suspension of a license by operation of law, or by order or decision of the Director of Consumer Affairs, or a court of law, or the voluntary surrender of the license shall not deprive the Director of jurisdiction to proceed with disciplinary action.

STATUTORY PROVISIONS

9. Section 44045.6 of the Health and Safety Code states in relevant part:

• • •

(c) The department may require remedial training at a certified training facility or may take disciplinary action, whichever the department determines to be the most appropriate, for any licensed technician who the department determines cannot perform inspections, testing, or repairs as required under the program. The failure to complete the

remedial training when required by the department shall be a ground for revocation or suspension of a smog check technician's license under Section 44072.2.

...

10. Section 44050 of the Health and Safety Code states in relevant part:

...

(e) Failure to comply with an order of abatement or payment of an administrative fine issued by the department pursuant to this section is grounds for suspension or revocation of the license, or placing the licensee on probation.

...

11. Section 44072.2 of the Health and Safety Code states in relevant part:

The director may suspend, revoke, or take other disciplinary action against a license as provided in this article if the licensee, or any partner, officer, or director thereof, does any of the following:

(a) Violates any section of this chapter [the Motor Vehicle Inspection Program (Health and Saf. Code, § 44000, et seq.)] and the regulations adopted pursuant to it, which related to the licensed activities.

...

(c) Violates any of the regulations adopted by the director pursuant to this chapter.

...

REGULATORY PROVISIONS

12. California Code of Regulations, title 16, section 3340.24, states in relevant part:

COST RECOVERY

13. Section 125.3 of the Code provides, in pertinent part, that the Board may request the administrative law judge to direct a licensee found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case, with failure of the licensee to comply subjecting the license to not being renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be included in a stipulated settlement.

1 **FACTUAL ALLEGATIONS**

2 14. On November 5, 2019, Respondent was issued Citation No. M2019-1944 and Order
3 of Abatement directing him to complete an 8-hour BAR Certified Citation Training Course and
4 pay a \$500.00 penalty amount.

5 15. The citation was served on Respondent during a Service Conference on December 18,
6 2019, and became effective on January 19, 2020.

7 16. On February 18, 2020, the Bureau received a request for informal office conference.
8 The request was denied because it was 30 days late.

9 17. In a letter dated August 5, 2020, the Bureau informed Respondent that it had not
10 received proof of training as required by the Order of Abatement. Respondent was asked to
11 provide proof of training within 30 days.

12 18. On September 23, 2020, Respondent submitted payment for the administrative fine,
13 along with a document that purported to be a Certificate of Course Completion for the mandated
14 8-hour BAR Certified Citation Training Course. The Certificate showed a completion date of
15 January 15, 2020. Bureau staff noted anomalies on the Certificate related to the date on the
16 Certificate, and that it bore a striking resemblance to a Certificate of Course Completion that
17 Respondent submitted in 2018. The anomalies on the Certificate prompted an investigation into
18 its validity.

19 19. According to the Bureau's Standards and Training Unit, Respondent did not enroll in
20 or complete a training course related to the January 15, 2020 Certificate.

21 20. To date, Respondent has not completed the training mandated by Citation No.
22 M2019-1944 and Order of Abatement.

23 **FIRST CAUSE FOR DISCIPLINE**
24 (Failure to Complete Remedial Training)
(Health & Saf. Code, §§ 44045.6, subd. (c), 44072.2)

25 21. Respondent has subjected his Smog Check Inspector License and Smog Check Repair
26 Technician License to disciplinary action under Health & Safety Code sections 44045.6,
27 subdivision (c), and 44072.2, in that he failed to complete the remedial training when required by
28 the Bureau. The circumstances are set forth in paragraphs 14 through 20, above.
