18 renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be
19 included in a stipulated settlement.

20 FACTUAL BACKGROUND

21 25. In or around July and August 2014, a Bureau representative documented a 1992
22 Toyota. The Bureau representative machined the Toyota’s front brake rotors and rear brake
23 drums to exceed the manufacturer’s service limits. The Bureau representative also adjusted the
24 Toyota’s headlamps outside of the manufacturer’s specifications. Next, the Bureau representative
25 removed the Toyota’s P.A.I.R./Air Suction System Reed Valve, Air Intake Hose, and Exhaust
26 Pipe Tube, and then performed a smog inspection on the Toyota. The Toyota failed the smog
27 inspection due to the missing P.A.I.R./Air Suction System Reed Valve, Air Intake Hose, and
28 Exhaust Pipe Tube.

1 passed a smog inspection when Respondent should not have issued a certificate of compliance for
2 that vehicle.

3 SEVENTH CAUSE FOR DISCIPLINE

4 (Violations of Regulations Governing the Motor Vehicle Inspection Program)

5 36. Respondent Renterias's station license is subject to disciplinary action under Health
6 and Safety Code section 44072.2, subdivision (c) in that, with regard to the smog inspection
7 performed on the Toyota on September 10, 2014, Respondent Renterias violated the following
8 sections of title 16 of the California Code of Regulations:

9 a. Section 3340.35, subdivision (c). Respondent Renterias issued a certificate of
10 compliance to a vehicle that (1) had not been inspected in accordance with the procedures
11 specified in section 3340.42; and (2) did not have all the required emission control equipment and
12 devices installed and functioning correctly.

13 b. Section 3340.42. Respondent Renterias failed to conduct the required smog
14 inspection on the vehicle in accordance with the Bureau's specifications.

15 c. Section 3353. Respondent Renterias performed work on the vehicle without
16 obtaining authorization from the customer.

17 d. Section 3353, subdivision (a). Respondent Renterias failed to provide a customer
18 with a written estimated price for labor and parts necessary for a specific job.

19 e. Section 3373. Respondent Renterias issued a certificate of compliance for the vehicle
20 indicating that the vehicle had passed a smog inspection when Respondent Renterias should not
21 have issued a certificate of compliance for that vehicle.

22 EIGHTH CAUSE FOR DISCIPLINE

23 (Failure to Perform Proper Smog Inspection)

24 37. Respondent Carrillo's technician licenses are subject to disciplinary action under
25 Health and Safety Code sections 44072.2, subdivision (a) and 44032 in that Respondent Carrillo,
26 by stating a vehicle passed a smog inspection when the vehicle should have failed the smog
27 inspection, failed to perform tests of emission control devices and systems in accordance with
28 Health and Safety Code section 44012.

1 subdivision (a) (failure to comply with requirements governing smog inspections).

2 42. To determine the degree of discipline, if any, to be imposed on Respondent Carrillo,
3 Complainant further alleges that on or about September 17, 2008, the Bureau issued Citation No.
4 M09-0249 against Respondent Carrillo for violating Health and Safety Code section 44032
