**DECISION**

The attached Stipulated Settlement and Disciplinary Order is hereby accepted and adopted as the Decision of the Director of the Department of Consumer Affairs in the above-entitled matter. The typographical errors on page 2, lines 12 and 17, are noted: The expiration date of the Automotive Repair Dealer Registration No. ARD 228160 and the Smog Check Station License No. RC 228160 should be changed from "June 30, 2013" to "June 30, 2014," to reflect the correct expiration date.

This Decision shall become effective 8/27/13.

Respondents.

22  
23  
24 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
25 entitled proceedings that the following matters are true:

26 PARTIES

27 1. John Wallauch ("Complainant") is the Chief of the Bureau of Automotive Repair. He  
28 brought this action solely in his official capacity and is represented in this matter by Kamala D.

1 Harris, Attorney General of the State of California, by Zachary T. Fanselow, Deputy Attorney  
2 General.

3 2. Respondents L T Homes, Inc. dba Whittier Tire Zone 1; Hamid Hamidzadeh  
4 Hamoodi; Ryan Koda; Patricia Robinson and Cesar Duran are represented in this proceeding by  
5 attorney Chad Biggins, whose address is: 633 West Fifth Street, 28th Floor, Los Angeles, CA  
6 90071.

7 **Automotive Repair Dealer Registration ARD228160**

8 3. On or about July 18, 2003, the Bureau issued Automotive Repair Dealer  
9 Registration Number ARD 228160 ("Registration") to LT Homes Inc. ("Respondent Whittier  
10 Tire" or "Respondents"), doing business as Whittier Tire Zone 1, with Hamid Hamidzadeh  
11 Hamoodi as President. The Registration was in full force and effect at all times relevant to the  
12 charges brought in Accusation No. 79/13-38 and will expire on June 30, 2013, unless renewed.

13 **Smog Check Station License RC228160**

14 4. On or about July 22, 2003, the Bureau issued Smog Check Station License  
15 Number RC 228160 ("Station License") to Respondent Whittier Tire. The Station License was in  
16 full force and effect at all times relevant to the charges brought in Accusation No. 79/13-38 and  
17 will expire on June 30, 2013, unless renewed.

18 **Advanced Emission Specialist Technician License EA 152775**

19 5. On a date uncertain in 2006, the Bureau issued Advanced Emission Specialist  
20 Technician License No. EA 152775 ("Technician License") to Cesar Duran ("Respondent Duran"  
21 or "Respondents"). The Technician License was in full force and effect at all times relevant to  
22 the charges brought in Accusation No. 79/13-38 and will expire on December 31, 2013, unless  
23 renewed. Upon timely renewal of the license, the license will be redesignated as EO 152775  
24 and/or EI 152775.<sup>1</sup>

26 <sup>1</sup> Effective August 1, 2012, California Code of Regulations, title 16, sections 3340.28,  
27 3340.39, and 3340.30 were amended to implement a license restructure from the Advanced  
28 Emission Specialist Technician (EA) license and Basic Area (EB) Technician License to Smog  
Check Inspector (EO) license and/or Smog Check Repair Technician (EI) License.

1 Order may not be altered, amended, modified, supplemented, or otherwise changed except by a  
2 writing executed by an authorized representative of each of the parties.

3 17. In consideration of the foregoing admissions and stipulations, the parties agree that  
4 the Director may, without further notice or formal proceeding, issue and enter the following  
5 Disciplinary Order:

6 **DISCIPLINARY ORDER AS TO RESPONDENT WHITTIER TIRE**

7 IT IS HEREBY ORDERED that Automotive Repair Dealer Registration No. ARD 228160  
8 and Smog Check Station License No. RC 228160 issued to Respondent Whittier Tire are revoked.  
9 However, the revocations are stayed and Respondent Whittier Tire is placed on probation for  
10 three (3) years on the following terms and conditions.

11 1. **Obey All Laws.** Comply with all statutes, regulations and rules governing  
12 automotive inspections, estimates and repairs.

13 2. **Reporting.** Respondent Whittier Tire or Respondent Whittier Tire's authorized  
14 representative must report in person or in writing as prescribed by the Bureau of Automotive  
15 Repair, on a schedule set by the Bureau, but no more frequently than each quarter, on the methods  
16 used and success achieved in maintaining compliance with the terms and conditions of probation.

17 3. **Report Financial Interest.** Within 30 days of the effective date of this action, report  
18 any financial interest which any partners, officers, or owners of the Respondent facility may have  
19 in any other business required to be registered pursuant to Section 9884.6 of the Business and  
20 Professions Code.

21 4. **Random Inspections.** Provide Bureau representatives unrestricted access to inspect  
22 all vehicles (including parts) undergoing repairs, up to and including the point of completion.

23 5. **Jurisdiction.** If an accusation is filed against Respondent Whittier Tire during the  
24 term of probation, the Director of Consumer Affairs shall have continuing jurisdiction over this  
25 matter until the final decision on the accusation, and the period of probation shall be extended  
26 until such decision.

27 6. **Violation of Probation.** Should the Director of Consumer Affairs determine that  
28 Respondent Whittier Tire has failed to comply with the terms and conditions of probation, the

1           11. **Random Inspections.** Provide Bureau representatives unrestricted access to inspect  
2 all vehicles (including parts) undergoing repairs, up to and including the point of completion.

3           12. **Jurisdiction.** If an accusation is filed against Respondent Duran during the term of  
4 probation, the Director of Consumer Affairs shall have continuing jurisdiction over this matter  
5 until the final decision on the accusation, and the period of probation shall be extended until such  
6 decision.

7           13. **Violation of Probation.** Should the Director of Consumer Affairs determine that  
8 Respondent Duran has failed to comply with the terms and conditions of probation, the  
9 Department may, after giving notice and opportunity to be heard, suspend or revoke Respondent  
10 Duran's license(s).

11           14. **Continuing Education Courses.** During the period of probation, Respondent Duran  
12 shall attend and successfully complete a Bureau certified training course in diagnosis and repair  
13 of emission systems failures and engine performance, applicable to the class of license held by  
14 Respondent Duran. Said course shall be completed and proof of completion submitted to the  
15 Bureau within 60 days of the effective date of this decision and order. If proof of completion of  
16 the course is not furnished to the Bureau within the 60-day period, Respondent Duran's license(s)  
17 shall be immediately suspended until such proof is received.

18           15. **Cost Recovery.** Respondent Duran shall pay to the Bureau, pursuant to Business and  
19 Professions Code section 125.3, the costs of investigation and enforcement in this matter in the  
20 amount of \$10,000.00 (ten thousand dollars). All Respondents are jointly and severally liable for  
21 these costs. Payment to the Bureau shall be made in 24 installments, with the final payment due  
22 no later than 12 months before probation terminates. Failure to complete payment of cost  
23 recovery within this time frame shall constitute a violation of probation which may subject  
24 Respondent Duran's license(s) to outright revocation. However, the Director or the Director's  
25 Bureau of Automotive Repair designee may elect to continue probation until such time as  
26 reimbursement of the entire cost recovery amount has been made to the Bureau.

21 Complainant alleges:

22 **PARTIES**

23 1. John Wallauch ("Complainant") brings this Accusation solely in his official  
24 capacity as the Chief of the Bureau of Automotive Repair ("Bureau"), Department of Consumer  
25 Affairs.

26 Automotive Repair Dealer Registration ARD228160

27 2. On or about July 18, 2003, the Bureau issued Automotive Repair Dealer  
28

1 Registration Number ARD 228160 ("Registration") to LT Homes Inc. ("Respondent"), doing  
2 business as Whittier Tire Zone 1, with Hamid Hamidzadeh Hamoodi as President. The  
3 Registration was in full force and effect at all times relevant to the charges brought herein and  
4 will expire on June 30, 2013, unless renewed.

5 **Smog Check Station License RC228160**

6 3. On or about July 22, 2003, the Bureau issued Smog Check Station License  
7 Number RC 228160 ("Station License") to Respondent. The Station License was in full force  
8 and effect at all times relevant to the charges brought herein and will expire on June 30, 2013,  
9 unless renewed.

10 **Advanced Emission Specialist Technician License EA 152775**

11 4. On a date uncertain in 2006, the Bureau issued Advanced Emission Specialist  
12 Technician License No. EA 152775 ("Technician License") to Cesar Duran ("Respondent  
13 Duran"). The Technician License was in full force and effect at all times relevant to the  
14 charges brought herein and will expire on December 31, 2013, unless renewed.

15 **JURISDICTION**

16 5. Section 9884.7<sup>1</sup> provides that the Director may revoke an automotive repair dealer  
17 registration.

18 6. Section 9884.13 provides, in pertinent part, that the expiration of a valid registration  
19 shall not deprive the Director of jurisdiction to proceed with a disciplinary proceeding against an  
20 automotive repair dealer or to render a decision temporarily or permanently invalidating  
21 (suspending or revoking) a registration.

22 **STATUTORY PROVISIONS**

23 7. Section 9884.7 states, in pertinent part:

24 (a) The director, where the automotive repair dealer cannot show there was a  
25 bona fide error, may deny, suspend, revoke, or place on probation the registration of  
26 an automotive repair dealer for any of the following acts or omissions related to the  
conduct of the business of the automotive repair dealer, which are done by the  
automotive repair dealer or any automotive technician, employee, partner, officer, or

27 <sup>1</sup> All section references are to the Business and Professions Code, unless otherwise  
28 indicated.

member of the automotive repair dealer.

(1) Making or authorizing in any manner or by any means whatever any statement written or oral which is untrue or misleading, and which is known, or which by the exercise of reasonable care should be known, to be untrue or misleading.

....

(3) Failing or refusing to give to a customer a copy of any document requiring his or her signature, as soon as the customer signs the document.

(4) Any other conduct that constitutes fraud.

....

(6) Failure in any material respect to comply with the provisions of this chapter [the Automotive Repair Act (Bus. & Prof. Code, § 9880, et seq.)] or regulations adopted pursuant to it.

(7) Any willful departure from or disregard of accepted trade standards for good and workmanlike repair in any material respect, which is prejudicial to another without consent of the owner or his or her duly authorized representatives.

....

(b) Except as provided for in subdivision (c), if an automotive repair dealer operates more than one place of business in this state, the director pursuant to subdivision (a) shall only suspend, revoke, or place on probation the registration of the specific place of business which has violated any of the provisions of this chapter. This violation, or action by the director, shall not affect in any manner the right of the automotive repair dealer to operate his or her other places of business.

(c) Notwithstanding subdivision (b), the director may suspend, revoke, or place on probation the registration for all places of business operated in this state by an automotive repair dealer upon a finding that the automotive repair dealer has, or is, engaged in a course of repeated and willful violations of this chapter, or regulations adopted pursuant to it.

8. Section 9884.8 states:

All work done by an automotive repair dealer, including all warranty work, shall be recorded on an invoice and shall describe all service work done and parts supplied. . . One copy of the invoice shall be given to the customer and one copy shall be retained by the automotive repair dealer.

9. Section 9884.9 states:

(a) The automotive repair dealer shall give to the customer a written estimated price for labor and parts necessary for a specific job. No work shall be done and no charges shall accrue before authorization to proceed is obtained from the customer. No charge shall be made for work done or parts supplied in excess of the estimated price without the oral or written consent of the customer that shall be obtained at some time after it is determined that the estimated price is insufficient and before the work not estimated is done or the parts not estimated are supplied. Written consent or

1 authorization for an increase in the original estimated price may be provided by  
2 electronic mail or facsimile transmission from the customer. The bureau may specify  
3 in regulation the procedures to be followed by an automotive repair dealer when an  
4 authorization or consent for an increase in the original estimated price is provided by  
5 electronic mail or facsimile transmission. If that consent is oral, the dealer shall make  
6 a notation on the work order of the date, time, name of person authorizing the  
7 additional repairs and telephone number called, if any, together with a specification of  
8 the additional parts and labor and the total additional cost . . .

9 10. Section 118, subdivision (b) states:

11 The suspension, expiration, or forfeiture by operation of law of a license issued by  
12 a board in the department, or its suspension, forfeiture, or cancellation by order of the  
13 board or by order of a court of law, or its surrender without the written consent of the  
14 board, shall not, during any period in which it may be renewed, restored, reissued, or  
15 reinstated, deprive the board of its authority to institute or continue a disciplinary  
16 proceeding against the licensee upon any ground provided by law or to enter an order  
17 suspending or revoking the license or otherwise taking disciplinary action against the  
18 licensee on any such ground.

19 11. Section 9884.13 provides, in pertinent part, that the expiration of a valid  
20 registration shall not deprive the director or chief of jurisdiction to proceed with a disciplinary  
21 Accusation proceeding against an automotive repair dealer or to render a decision invalidating a  
22 registration temporarily or permanently.

23 12. Section 477 states, in pertinent part:

24 (a) "Board" includes "bureau," "commission," "committee," "department,"  
25 "division," "examining committee," "program," and "agency."

26 (b) "License" includes certificate, registration or other means to engage in a  
27 business or profession regulated by the Code.

## 28 REGULATORY PROVISIONS

13. Health and Safety Code Section 44002 provides, in pertinent part, that the Director  
has all the powers and authority granted under the Automotive Repair Act for enforcing the  
Motor Vehicle Inspection Program.

14. Health and Safety Code Section 44012 states:

The test at the smog check stations shall be performed in accordance with  
procedures prescribed by the department and may require loaded mode dynamometer  
testing in enhanced areas, two-speed idle testing, testing utilizing a vehicle's onboard  
diagnostic system, or other appropriate test procedures as determined by the  
department in consultation with the state board. The department shall implement  
testing using onboard diagnostic systems, in lieu of loaded mode dynamometer or  
two-speed idle testing, on model year 2000 and newer vehicles only, beginning no  
earlier than January 1, 2013. However, the department, in consultation with the state  
board, may prescribe alternative test procedures that include loaded mode

1 dynamometer or two-speed idle testing for vehicles with onboard diagnostic systems  
2 that the department and the state board determine exhibit operational problems. The  
3 department shall ensure, as appropriate to the test method, the following:

4 (a) Emission control systems required by state and federal law are reducing  
5 excess emissions in accordance with the standards adopted pursuant to subdivisions  
6 (a) and (c) of Section 44013.

7 (f) A visual or functional check is made of emission control devices specified by  
8 the department, including the catalytic converter in those instances in which the  
9 department determines it to be necessary to meet the findings of Section 44001. The  
10 visual or functional check shall be performed in accordance with procedures  
11 prescribed by the department.

12 15. Health and Safety Code Section 44015 states, in pertinent part:

13 (b) If a vehicle meets the requirements of Section 44012, a smog check station  
14 licensed to issue certificates shall issue a certificate of compliance or a certificate of  
15 noncompliance.

16 16. Health and Safety Code Section 44032 states:

17 No person shall perform, for compensation, tests or repairs of emission control  
18 devices or systems of motor vehicles required by this chapter unless the person  
19 performing the test or repair is a qualified smog check technician and the test or  
20 repair is performed at a licensed smog check station. Qualified technicians shall  
21 perform tests of emission control devices and systems in accordance with Section  
22 44012.

23 17. Health and Safety Code Section 44072.2 of the Health and Safety Code states:

24 The director may suspend, revoke, or take other disciplinary action against a  
25 license as provided in this article if the licensee, or any partner, officer, or director  
26 thereof, does any of the following:

27 (a) Violates any section of this chapter [the Motor Vehicle Inspection Program  
28 (Health and Safety Code, § 44000, et seq.)] and the regulations adopted pursuant to it,  
which related to the licensed activities.

29 (c) Violates any of the regulations adopted by the director pursuant to this chapter.

30 (d) Commits any act involving dishonesty, fraud, or deceit whereby another is  
31 injured.

32 18. Health and Safety Code Section 44072.6 provides, in pertinent part, that the  
33 expiration or suspension of a license by operation of law, or by order or decision of the Director  
34 of Consumer Affairs, or a court of law, or the voluntary surrender of the license shall not deprive  
35

1 the Director of jurisdiction to proceed with disciplinary action.

2 19. Health and Safety Code Section 44072.8 states:

3 When a license has been revoked or suspended following a hearing under this  
4 article, any additional license issued under this chapter in the name of the licensee  
5 may be likewise revoked or suspended by the director.

6 20. California Code of Regulations, title 16, section 3340.30, subdivision (a),  
7 provides, in pertinent part, that a licensed technician shall inspect, test and repair vehicles in  
8 accordance with section 44012 of the Health and Safety Code, section 44035 of the Health and  
9 Safety Code, and section 3340.42 of the California Code of Regulations.

10 21. California Code of Regulations, title 16, section 3340.35, subdivision (c),  
11 provides, in pertinent part that a licensed station shall issue a certificate of compliance or  
12 noncompliance to the owner or operator of any vehicle that has been inspected in accordance with  
13 the procedures specified in section 3340.42 of the California Code of Regulations and have all the  
14 required emission control equipment and devices installed and functioning correctly.

15 22. California Code of Regulations, title 16, section 3340.41, subdivision (c), states  
16 that no person shall enter into the emissions inspection system any vehicle identification  
17 information or emission control system identification data for any vehicle other than the one  
18 being tested. Nor shall any person knowingly enter into the emissions inspection system any  
19 false information about the vehicle being tested.

20 **COST RECOVERY**

21 23. Section 125.3 provides, in pertinent part, that a Board may request the  
22 administrative law judge to direct a licentiate found to have committed a violation or violations of  
23 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and  
24 enforcement of the case.

25 **UNDERCOVER OPERATION # 1 - February 1, 2012**

26 24. On or about February 1, 2012, a Bureau undercover operator drove a Bureau-  
27 documented 1992 Toyota Corolla, to the Respondent's Whittier Tire Zone 1 facility. A defect  
28 had been created in the Powertrain Control Module ("PCM") by breaking the ground connection

///

1 between the vacuum sensor<sup>2</sup> and the Corolla's PCM. This will cause the "check engine" light or  
2 Malfunction Indicator Light ("MIL") to illuminate and record a diagnostic code 31 (vacuum  
3 sensor signal) stored in memory. This defect causes the vehicle to fail a smog check inspection  
4 for excessive tailpipe emissions (in gross polluter range) as well as the MIL functional test.

5 25. The operator was met by an employee who identified himself as "Cesar." The  
6 operator told Cesar that the check engine light of the vehicle was illuminated and the vehicle was  
7 hard to start when cold. Cesar stated that it would cost \$35 for diagnosis and it would be applied  
8 to the cost of the necessary repairs. Cesar gave the operator a blank piece of paper to write his  
9 contact information. The operator was not provided a written estimate.

10 26. At 1615 hours the operator called the Respondent and talked to a gentleman who  
11 identified himself as Emerson, the manager. Emerson stated the car started up but lacked power  
12 from first gear to second and there were no trouble codes in the vehicles computer.

13 27. On or about February 2, 2012, at approximately 1036 hours, the operator called the  
14 Respondent and spoke with Cesar. Cesar stated the injectors were leaking fuel, especially injector  
15 #3. He said he would check the injector O-rings which could be the cause of the leakage. He also  
16 stated that there was a MAP sensor code which is related to the pressure of the intake manifold  
17 and the MAP sensor would cost approximately \$200.

18 28. On or about February 2, 2012, at approximately 1428 hours, the operator called the  
19 Respondent and spoke with Cesar. Cesar stated the cost of a new MAP sensor was \$439 and a  
20 used replacement part would be \$180 plus \$25 labor. In addition, he stated the fuel injector seal  
21 kit was \$48 and the labor to replace them was \$60. Cesar said the total cost with a used MAP  
22 sensor was \$313 plus tax. The operator asked if the recommended repairs were necessary in order  
23 for the check engine light to turn off. Cesar confirmed that the recommended repairs were  
24 necessary. The operator said he needed to check with his sister in-law before he could authorize  
25 the repair.

26  
27 <sup>2</sup> The term "Vacuum Sensor," which is a Toyota Motor Corp. part description, is the same  
28 component which is also known as a "Manifold Absolute Pressure Sensor" ("MAP"). These  
terms have the same meaning and are sometimes interchanged in this Accusation.

1 recommended as documented on invoice number [REDACTED] when in fact those services were not  
2 needed.

3 **SECOND CAUSE FOR DISCIPLINE**

4 **(Fraud)**

5 34. Respondent has subjected its registration to discipline pursuant to Section 9884.7,  
6 subsection (a)(4), in that Respondent committed an act that constitutes fraud or deceit, as follows:

7 a. Respondent stated that the fuel injectors, especially injector number 3, were  
8 leaking and accepted payment from the operator for a new fuel injector kit seal, when in fact the  
9 injectors were not leaking and the repair was unnecessary.

10 b. Respondent accepted payment for replacing the MAP sensor when in fact, the  
11 repair was not necessary. Additionally, Respondent did not disclose to the operator or document  
12 on Invoice number [REDACTED] the repair to the ground wire connection between the MAP sensor and  
13 the Corolla's PCM, which was the only repair required on the vehicle.

14 **THIRD CAUSE FOR DISCIPLINE**

15 **(Failure to Comply with the Automotive Repair Act)**

16 35. Respondent has subjected its registration to discipline pursuant to Section 9884.7,  
17 subdivision (a)(6), in that on or about February 1, 2012, Respondent failed to comply with the  
18 following sections of the Automotive Repair Act:

19 a. Respondent failed to provide the operator with a written estimated price for parts  
20 and labor for a specific job in violation of Section 9884.9, subdivision (a). Respondent exceeded  
21 the verbal authorization of \$60 labor to install the fuel injector kit when the actual labor cost was  
22 \$70 and the total cost was \$313 plus tax when in fact the cost of the authorized repairs  
23 documented on final invoice number [REDACTED] was \$370.29.

24 b. Respondent failed to describe the repair to the ground wire connection between the  
25 MAP sensor and the Corolla's PCM on Invoice number [REDACTED] in violation of Section 9884.8.  
26 Respondent failed to properly describe all parts including the part number and description of the  
27 fuel injector kit on invoice number [REDACTED] Respondent failed to specify whether the injector's  
28 upper or lower seals were replaced on Invoice number [REDACTED]

1 operator told Emerson he could not pick up the car until Monday, February 27, 2012.

2 39. On February 27, 2012, the operator paid Emerson \$500 and was asked to sign  
3 several documents that appeared to be estimates and/or invoices. The operator asked about the  
4 missing dip stick and Emerson said it was found in the engine compartment.

5 40. On February 28, 2012, a Bureau representative conducted a reinspection of the  
6 vehicle and found the following:

7 a. The vehicle failed a smog inspection, due to having an ignition timing  
8 incorrectly set at 5 degrees Before Top Dead Center ("BTDC"). The vehicle's under hood label  
9 calls for 10 degrees BTDC. The VIR shows that Smog Technician Cesar A. Duran, Technician  
10 License No. EA152775 performed the smog inspection and Electronic Certificate of Compliance  
11 No [REDACTED] was issued.

12 b. The Vehicle Speed Sensor, ECT sensor, and the oxygen sensor were  
13 replaced as invoiced but were not in need of replacement. The broken wire to the ECT sensor  
14 that was created by the Bureau representative had been repaired but the repair was not described  
15 on the invoice. The repair was performed using standard crimp splice type of connectors and  
16 wrapped with electrical tape. Repairing a wire with a non-watertight connector is not in  
17 accordance with the accepted trade standards for this type of repair. The only repair necessary  
18 for the vehicle to pass the Smog inspection was to repair the wire to the ECT sensor. The  
19 replacement of the ECT sensor, the O2 Sensor, and speed sensor was not necessary.

20 **FOURTH CAUSE FOR DISCIPLINE**

21 **(Untrue and Misleading Statements)**

22 41. Respondent has subjected its registration to discipline under Section 9884.7,  
23 subdivision (a)(1), in that Respondent made statements which it knew or which by exercise of  
24 reasonable care it should have known were untrue or misleading, as follows:

25 a. Respondent's technician told the operator that the ECT sensor, O2 Sensor, and the  
26 vehicle speed sensor needed to be replaced when he knew or should have known the only repair  
27 necessary was the broken wire to the ECT sensor. When the operator asked if the repairs were  
28 necessary in order for vehicle to pass a smog check, he was told the recommended repairs were

1 necessary.

2 b. On or about February 24, 2012, Respondent made statements which he knew or  
3 which by exercise of reasonable care should have known to be untrue or misleading by issuing  
4 electronic Certificate of Compliance No. [REDACTED] for the 1993 Mazda Protégé. Respondent  
5 thus certified that the vehicle was in compliance with applicable laws and regulations when the  
6 vehicle could not have passed the functional portion of the smog inspection because the vehicle's  
7 ignition timing was adjusted beyond specifications.

8 **FIFTH CAUSE FOR DISCIPLINE**

9 42. Respondent's registration is subject to disciplinary action pursuant to Section  
10 9884.7, subdivision (a)(4), in that Respondent committed acts that constitute fraud by:

11 a. On or about February 27, 2012, Respondent accepted payment for replacing the  
12 ECT Sensor, O2 Sensor, and the vehicle speed sensor when in fact these devices were in  
13 serviceable condition and their replacement was not necessary. Additionally, Respondent did not  
14 disclose to the operator or document on Invoice No. [REDACTED] the repair of the broken wire to the  
15 ECT sensor which was the only repair required on the vehicle.

16 b. On or about February 24, 2012, Respondent committed acts constituting fraud by  
17 issuing electronic Certificate of Compliance No. [REDACTED] to the 1993 Mazda Protégé without  
18 performing a bona fide inspection of the emission control devices and systems on the vehicle,  
19 thereby depriving the People of the State of California of the protection afforded by the Motor  
20 Vehicle Inspection Program.

21 **SIXTH CAUSE FOR DISCIPLINE**

22 **(Failure to Comply with Code)**

23 43. Respondent has subjected his registration to discipline pursuant to Section 9884.7,  
24 subdivision (a)(6), in that on or about February 21, 2012, Respondent failed to comply with the  
25 following sections of that code:

26 a. Respondent failed to provide the operator with a written estimated price for parts  
27 and labor for a specific job in violation of Section 9884.9, subdivision (a).

28 **SEVENTH CAUSE FOR DISCIPLINE**

1 TENTH CAUSE FOR DISCIPLINE

2 (Violations of Regulations Pursuant to the Motor Vehicle Inspection Program)

3 47. Respondent has subjected its Station License to discipline under Health and Safety  
4 Code section 44072.2, subdivision (c), in that on or about February 24, 2012, regarding the 1993  
5 Mazda Protégé, when it violated sections of the California Code of Regulations, title 16, as  
6 follows:

7 a. Respondent issued electronic Certificate of Compliance No. [REDACTED] even  
8 though the 1993 Mazda Protégé had not been inspected in accordance with section 3340.42 of the  
9 California Code of Regulations in violation of California Code of Regulations, title 16, section  
10 3340.35, subdivision (c).

11 b. Respondent failed to conduct the required smog tests and inspections on the 1993  
12 Mazda Protégé in accordance with the Bureau's specifications in violation of California Code of  
13 Regulations, title 16, section 3340.42.

14 ELEVENTH CAUSE FOR DISCIPLINE

15 (Dishonesty, Fraud or Deceit)

16 48. Respondent has subjected its station license to discipline under Health and Safety  
17 Code section 44072.2, subdivision (d), in that on or about February 24, 2012, regarding the 1993  
18 Mazda Protégé, Respondent committed acts involving dishonesty, fraud or deceit, causing injury  
19 to another by issuing electronic Certificate of Compliance No. [REDACTED] for the 1993 Mazda  
20 Protégé without performing a bona fide inspection of the emission control devices and systems on  
21 the vehicle, thereby depriving the People of the State of California of the protection afforded by  
22 the Motor Vehicle Inspection Program.
