DISCIPLINARY ORDER

IT IS HEREBY ORDERED that a Smog Check, Test and Repair, Station License will be issued to Respondent Mendocino Auto Service LLC (Respondent), with Daniel Eduardo Sosa as a Member, and immediately revoked. However, the revocation is stayed and Respondent is placed on probation for five (5) years upon the following terms and conditions:

This Order is to run separate from, and concurrent to, the probationary order in Case No. AI 2023-13271.

1. **Obey All Laws.** During the period of probation, Respondent shall comply with all federal and state statutes, regulations and rules governing all BAR registrations and licenses held by Respondent.

2. **Quarterly Reporting.** During the period of probation, Respondent shall report either by personal appearance or in writing as determined by BAR on a schedule set by BAR, but no more frequently than once each calendar quarter, on the methods used and success achieved in maintaining compliance with the terms and conditions of probation.

3. **Report Financial Interests.** Respondent shall, within 30 days of the effective date of the decision and within 30 days from the date of any request by BAR during the period of probation, report any financial interest which any Respondent or any partners, officers, or owners of any Respondent facility may have in any other business required to be registered pursuant to Section 9884.6 of the Business and Professions Code.

4. **Access to Examine Vehicles and Records.** Respondent shall provide BAR representatives unrestricted access to examine all vehicles (including parts) undergoing service, inspection, or repairs, up to and including the point of completion. Respondent shall also provide BAR representatives unrestricted access to all records pursuant to BAR laws and regulations.

5. **Tolling of Probation.** If, during probation, Respondent leaves the jurisdiction of California to reside or do business elsewhere or otherwise ceases to do business in the jurisdiction of California, Respondent shall notify BAR in writing within 10 days of the dates of departure and return, and of the dates of cessation and resumption of business in California. All provisions of probation other than cost reimbursement requirements, restitution requirements, training

1 requirements, and that Respondent obey all laws, shall be held in abeyance during any period of
2 time of 30 days or more in which Respondent is not residing or engaging in business within the
3 jurisdiction of California. All provisions of probation shall recommence on the effective date of
4 resumption of business in California. Any period of time of 30 days or more in which Respondent
5 is not residing or engaging in business within the jurisdiction of California shall not apply to the
6 reduction of this probationary period or to any period of actual suspension not previously
7 completed. Tolling is not available if business or work relevant to the probationary license or
8 registration is conducted or performed during the tolling period.

9 **6. Violation of Probation.** If Respondent violates or fails to comply with the terms and
10 conditions of probation in any respect, the Director, after giving notice and opportunity to be
11 heard may set aside the stay order and carry out the disciplinary order provided in the decision.
12 Once Respondent is served notice of BAR's intent to set aside the stay, the Director shall maintain
13 jurisdiction, and the period of probation shall be extended until final resolution of the matter.

14 **7. Maintain Valid License.** Respondent shall, at all times while on probation, maintain
15 a current and active registration and/or license(s) with BAR, including any period during which
16 suspension or probation is tolled. If Respondent's registration or license is expired at the time the
17 decision becomes effective, the registration or license must be renewed by Respondent within 30
18 days of that date. If Respondent's registration or license expires during a term of probation, by
19 operation of law or otherwise, then upon renewal Respondent's registration or license shall be
20 subject to any and all terms and conditions of probation not previously satisfied. Failure to
21 maintain a current and active registration and/or license during the period of probation shall also
22 constitute a violation of probation.

23 **8. Completion of Probation.** Upon successful completion of probation, Respondent's
24 affected registration and/or license will be fully restored or issued without restriction, if
25 Respondent meets all current requirements for registration or licensure and has paid all
26 outstanding fees, monetary penalties, or cost recovery owed to BAR.

27 **9. License Surrender.** Following the effective date of a decision that orders a stay of
28 invalidation or revocation, if Respondent ceases business operations or is otherwise unable to

1 satisfy the terms and conditions of probation, Respondent may request that the stay be vacated.
2 Such request shall be made in writing to BAR. The Director and the BAR Chief reserve the right
3 to evaluate the Respondent's request and to exercise discretion whether to grant the request or
4 take any other action deemed appropriate or reasonable under the circumstances. Upon formal
5 granting of the request, the Director will vacate the stay order and carry out the disciplinary order
6 provided in the decision. Respondent may not petition the Director for reinstatement of the
7 surrendered registration and/or license, or apply for a new registration or license under the
8 jurisdiction of BAR at any time before the date of the originally scheduled completion of
9 probation. If Respondent applies to BAR for a registration or license at any time after that date,
10 Respondent must meet all current requirements for registration or licensure and pay all
11 outstanding fees or cost recovery owed to BAR and left outstanding at the time of surrender.
