## ADDITIONAL INFORMATION

### CHANGE OF BUSINESS NAME OR ADDRESS

Licenses must notify BAR within 14 days of a change of business, name, address, or corporate officers. (California Code of Regulations, title 16, section 3351.1(d)) To report a change, complete a Change of Name/Address/Corporate Officers or Directors form available at [www.bar.ca.gov](http://www.bar.ca.gov).

### CHANGE IN OWNERSHIP

An ownership change consists of any change in legal ownership of the licensed business, including the purchase of an existing business, addition or deletion of a partner, the transfer of any ownership interest between members of family, change of the business entity by incorporation of the business, or any other change in the corporate status that requires a new corporate number as issued by the Secretary of State. When a change in the business ownership takes place, you must cease operating as an automotive repair dealer and brake station and submit new applications and fees.

You must renew your license by submitting an application for renewal every year. The Department of Consumer Affairs may mail you a courtesy notice approximately 90 days before expiration of your current license. However, if you do not receive a renewal notice, you are still responsible for renewing your license. If you renew your license after the date of expiration, you will be charged a late fee of \$2.50.

### REQUIRED EQUIPMENT

All equipment required per Division 33 of Title 16 of the California Code of Regulations section 3321 must be on the premises in proper working order and in calibration in accordance with type of station license. **NOTE:** In order to operate as a brake station, a licensed brake adjuster with the appropriate license for the work being performed is required to be on the premises pursuant to California Code of Regulations section 3305.
