SUMMARY

On October 17, 2019, the Bureau of Automotive Repair (BAR) will host its second public workshop to discuss proposed amendments to regulations related to auto body repair. In response to public comments received following a regulatory workshop in April, BAR revised a proposal to update auto body equipment requirements and trade standards for repairing supplemental restraint systems.

BAR Advisory Group (BAG) members, BAG meeting attendees, and the public are encouraged to attend.

INFORMATION

This workshop is open to the public and is being held in a barrier-free facility in accordance with the Americans with Disabilities Act. Any person with a disability who needs disability-related accommodations or modifications to participate in the workshop shall make a request for such accommodation or modification not less than five (5) business days before the meeting date by contacting the contact person named in this notice.

The workshop will be webcast and may be accessed online at:
